Microsoft Worldwide Partner Conference 2011

Gateway TechnoLabs announcing participation in WPC (Worldwide Partner Conference – July 10th- 14th, 2011) held by Microsoft. We as a Microsoft Gold Certified Partner are attending the same to explore the further collaboration with other companies. This conference (WPC) is an annual gathering for the Microsoft partner community to learn more about Microsoft's roadmap for the upcoming year, network and build connections, experience the latest product innovations at Los Angeles, CA, USA.

About Conference

The Microsoft Worldwide Partner Conference (WPC) is the premier event for Microsoft partners. WPC provides a forum for you to connect with other partners and with Microsoft staff, and to learn about the latest Microsoft programs, strategies, and cutting-edge technologies.

When you attend, one can learn firsthand about the technology vision that Microsoft is mapping for the coming year and beyond. You can also connect and collaborate with peers—and discover new ways to help ensure that your business can grow into the future. And gain accesses to the latest resources and knowledge that can help you create impact in the marketplace, and with your customers.

Microsoft's annual Worldwide Partner Conference. Gain insights into Microsoft's business and technology roadmap for 2011, learn how to expand your possibilities with Cloud services, Windows® 7, Windows Phone and experience the latest in solution innovations

At WPC 2011, you have the ideal platform to think big and capitalize on the latest advances, all in one place. Visit [Digital WPC](#) to find everything you need to know about the live event, and to take advantage of opportunities to stay connected throughout the year.
